INSTRUCTIONS AND NOTES

Donations can be directed to schools that are recognized by the Illinois State Board of Education (ISBE) or in the process of being recognized by ISBE. However, only schools recognized by ISBE are eligible for donations to be used for student scholarships under the program. A complete list of schools can be found on the Empower Illinois [website](#). Schools marked “PENDING RECOGNITION” are in the process of being recognized by ISBE but are not yet recognized. Students who have received scholarship awards will not be allowed to use the scholarships at schools marked “PENDING RECOGNITION” until such schools have been recognized, including donations directed by donors for scholarships to such schools. There are no guarantees that schools marked “PENDING RECOGNITION” will receive recognition in the future. Donations directed to any school that is not recognized by ISBE by August 1, 2019 will be recharacterized as undesignated donations within the same region.

1. Enter one designee if your donation is less than \$1,000. If your donation is \$1,000 or greater, enter up to three designees. The list of designees can be found under Donors - Schools and Organizations by Region on the Empower Illinois website. Empower Illinois will direct your donation to the Schools or Organizations that you designate. You may also leave your donation Undesignated within the region found on your Contribution Authorization Certificate (CAC) issued to you by the Illinois Department of Revenue.
2. Enter your Contribution Authorization Certificate number(s).
3. Enter the Region designated on your Contribution Authorization Certificate, which you must select at the time you reserve your Illinois scholarship tax credit. For more information about Regions 1 - 5, go to tax.illinois.gov/InvestInKids/Regions.htm.
4. Making an undesignated donation provides greater flexibility to Empower Illinois to direct your donation to eligible students. We also understand that you may desire to support certain Schools or Organizations. If you do not wish to designate your funds enter “Undesignated”; if you do wish to designate your donation enter the name of the School or Organization. A list of designees can be found at <https://empowerillinois.org/donors/schools-school-systems-scholarship-funds/>

CHOOSING A REGION

There are 5 regions in the State of Illinois. When reserving your tax credit on the Illinois Department of Revenue (IDOR) website, it is important that you choose the region in which your designee(s) are located, **not** the region of your home address. For example, you may live in one region but you may want to designate Schools and Organizations outside the region in which you live. In that case, you must choose the region in which your designees are located when reserving your tax credit. If you wish to designate Schools and Organizations in different regions, you must reserve tax credits and be issued a separate Contribution Authorization Certificate for each region. You can choose multiple designees within each region if your donation is \$1,000 or more.

Information about choosing the region can be found here:

<http://www.revenue.state.il.us/InvestInKids/Regions.htm>.

To determine the region for your tax credit reservation:

- Locate your designee(s) [here](#).
- Determine the region in which your designee(s) are located;
- Enter your designee(s)' region when you reserve your tax credit on the IDOR website.

After you have made your tax credit reservation, the Contribution Authorization Certificate issued to you will show the region you have chosen.
